

Photo Booth Attendant

Independent Contractor (1099) | As-Needed Event Assignments

TopEvent Rentals, LLC is seeking a professional and outgoing Photo Booth Attendant to manage and operate our photo booth experiences at private and corporate events. This client-facing role is responsible for delivering a seamless, engaging, and memorable guest experience while representing the TopEvent Rentals brand with professionalism.

Key Responsibilities

- Arrive on time and fully prepared for scheduled events
- Set up and break down photo booth equipment according to company standards
- Ensure all equipment is tested and operational prior to guest use
- Coordinate with event hosts or venue staff upon arrival
- Guide guests through the photo booth experience confidently and professionally
- Encourage participation in a friendly and upbeat manner
- Maintain a clean, organized, and visually polished setup
- Manage props and monitor photo quality and print output
- Assist guests with digital sharing features (text/email)
- Troubleshoot minor technical issues efficiently
- Monitor event flow and manage supply inventory
- Handle all equipment carefully during transport and operation
- Report client feedback or equipment concerns after events

Qualifications

- Friendly, outgoing, and comfortable engaging with guests
- Professional appearance and strong communication skills
- Reliable and punctual with strong time management
- Comfortable standing for extended periods
- Ability to lift and transport equipment when required
- Weekend availability required (most events Fri–Sun)
- Customer service or event experience preferred
- Basic tech comfort preferred (iPad, software interfaces)
- Training provided

Compensation

Starting at \$20 per hour. Paid per event assignment. Independent Contractor (1099) position with flexible, as-needed scheduling. No guaranteed hours. Contractors are responsible for their own taxes.

To apply, please email your resume and availability to info@topeventrentals.com with the subject line: "Photo Booth Attendant Application."
